

4. Mellow Jell-O

(Donovan's "Mellow Yellow")

I'm just mad about hoedown
Hoedown mad about me
I'm just wild about hoedown
There's food and admission is free
They call me Mellow Jell-O
They call me Mellow Jell-O
They call me Mellow Jell-O

I'm just mad about hotdish
Hotdish mad about me
I'm just wild about hotdish
Lots of food that ain't fat-free
They call me Mellow Jell-O
They call me Mellow Jell-O
They call me Mellow Jell-O

Love cream of mushroom soup
with milk for hotdish base
Velveeta creates the goop
over noodles, oh what a taste
They call me Mellow Jell-O
They call me Mellow Jell-O
They call me Mellow Jell-O

So many casseroles for you
some with meat some without
Not so wild about tofu
Why can't they leave it out?
They call me Mellow Jell-O
They call me Mellow Jell-O
They call me Mellow Jell-O
