

# 10. Hoedown

(ala Petula Clark's "Downtown")

When you are down, January making  
you low,  
you can always go

Hoedown

When you've got worries,  
all the chores and the hurry seem too  
much, I know

Hoedown

Just listen to the laughter of the crowd  
in the center

Linger on the sidewalk and smile  
before you enter

How can you lose?

Jell-O is a fine art there,

You can make a gelatin pun without  
too much flair.

So go Hoedown

Things will be great when you're  
Hoedown

no finer time for sure Hoedown  
A homemade potluck for you.

Hoedown Hoedown

Hotdish Hoedown celebrates that  
heavenly land of ten thousand  
lakes.

Hoedown

Maybe you make Grandma's tuna  
bake

or auntie's chocolate cake.

Hoedown

Just watch the dance routine of the  
'mazing Bohrods.

You'll be dancing with 'em too  
imagine the applause

happy again

Hotdish is much better there  
You can give up calorie counting,  
forget all your cares

So go Hoedown

Where the Jell-O is bright - Hoedown

Hotdish for you tonight - Hoedown

You're gonna feel all right now

Hoedown

Lovely musical interlude

Hoedown Hoedown

And you may find Minnesota a place  
you wanna go ta

A place where cream of mushroom  
soup is cuisine hau-té  
you can't go wrong

So maybe I'll see you there,  
we can eat all we want to, forget all  
our cares.

So go Hoedown

Where the Jell-O is bright Hoedown  
Hotdish for you tonight Hoedown  
You're gonna feel all right now
